Staff Changes

As you are aware I will be retiring at the end of this term and Mrs Tara Deevooy has been appointed as the new, in-coming Executive Headteacher.

After a fantastic career in education Mrs Morgan - Brown will also be retiring, therefore, Reception class will be taught by Miss Smeeton who will be joining us from Lower Halstow School. We would like to thank Miss Hebert who will be returning home to Canada after a year in the UK so year 1 will be taught by Miss Callaghan.

We would like to congratulate Miss Keers who has received a promotion with another school so will be leaving us at the end of this term. In September we will be welcoming Miss Leneghan, who has already established a successful career in the Federation, as the teacher in year 2.

We wish Mr Hart every success as he pursues a career outside education and welcome Miss Blackburn into year 3 following her successful placement in year 5.

Mrs Van Heerden will continue to work in year 4, Mrs Spencer will teach year 5 and Mrs Calder will continue in year 6.

We wish all teachers every success in the future. A transition afternoon has been arranged for Friday 13th July to allow all children to spend time with their new teachers. The teachers will also be available to meet parents at the end of the day on the playground.

KS2 Production

Preparations and rehearsals are well underway for this year's KS2 production - Panto

Pandemonium:

Monday 2nd July - 2pm - Dress Rehearsal and families with young children and babies

Tuesday 3rd July - 2pm

Wednesday 4th July - 4:30pm - Performers may stay behind after school to save parents having to travel to and from school.

Open Evening - Change of Date

Due to unforeseen circumstances the open evening has now been brought forward a day to Wednesday 11th July at 3:30 - 4:30pm. This is an informal opportunity to look round the school, talk to the teacher and see examples of your child's work so no appointment is necessary.

Online Safety Tip

The online world is an increasingly large part of modern family life, so it makes sense to approach it as a family too. Why not make a pledge together on how as a family you're going to use the internet safely and positively?
