

12th June 2017

Dear Parents / Carers

Race for Life 2017

We are pleased to once again be participating in the Primary School Race for Life this year, which is part of the annual national campaign by Cancer Research UK. Our Event will take place on Thursday 6th July. We are hosting a fancy dress fun run in the school grounds, where all participating children will receive a medal. Our run will take place whatever the weather and the children will be in lessons as normal in the morning, so please be aware of this when picking their costumes. They can wear any kind of fancy dress, so please feel free to use something from World Book Day, or other previous events. The weather may be hot, so please think about this when choosing outfits for the children to run in.

We will send home back signs displaying the message "I race for life for...." for the children to decorate however they choose. Children may want to remember someone they have lost by adding their name or a photograph, but it is yours and their choice. Please can the back plates be in school by Thursday 6th July for the children to wear as they complete the event.

Obviously we would like to raise as much as possible for this cause so we are requesting a donation to take part in the race. It is up to you and your child how much you wish to give and how you wish to raise that donation. We will also be collecting on the gates that day so any change you have will be gratefully received by our older children. Last year we raised an amazing £1082.

We are looking to a fun afternoon with all the children and thank you for your support.

Yours faithfully,

Mrs T Godfrey

Head of School
