

21st February 2017

Dear Parent/Carer

We have an exciting Federation Challenge called 'Risk It' booked for the children in Year 5 across the two schools for Tuesday 21st March 2017.

The challenge will take place at Lower Halstow School and we would like the children from Picasso Class at Newington to spend the whole day at Lower Halstow School. The children will work in small groups to complete the challenges, which will involve designing and making something using electric circuitry.

The children will be at Lower Halstow School for lunch, having school dinner or packed lunch as usual, however we do need to know in advance which of these your child will be having to help inform the Lower Halstow kitchen. Both Miss Miller and Mr Juden will remain with the class throughout the day. Please can children arrive in school for 8:30 on this day as we will need to transport them in two journeys and would like to start approx. 9am. The children will return to school, again by two journeys in the mini-bus at approximately 15:30.

This will be a lovely opportunity to get to know some new friends and to take part in an exciting challenge.

Please complete the consent form below to allow your child to take part in the event and travel by mini-bus between the schools. There is no charge for this event. Please also complete the form to indicate whether your child will require a school dinner or will bring a packed lunch to school. Please return the form by Tuesday 7th March 2017.

Yours faithfully,

Mrs Trudi Godfrey

Head of School
