

7th November 2016

Dear Parents / Carers,

Over the past few days the children have been creating clay 3D remembrance poppies (a little bit like the 2014 Tower of London poppies) to be placed in the grounds of St. Mary’s Church, Newington. The poppies will be ‘planted’ in the school grounds so that they are there for Remembrance Day and over the weekend for Remembrance Sunday. They will then be collected and returned back to school. We hope that you will be able to view the poppies in the ground of the church. The children have worked hard on producing the poppies and they are extremely proud of their work.

As many of you are aware we always like to support charities and we always support the Royal British Legion through the annual sale of poppies. This year we thought that we would like to raise even more money and are therefore selling the children’s clay poppies at a cost of £3 each. All monies raised will go directly to the Royal British Legion. If you would like to purchase one of the poppies please complete the form below. Please do not send in any money as yet, we will ask for exact cash payments to be brought in to school after 14th November. We cannot guarantee that you will end up with your own child’s poppy, it is likely that some of the poppies may break during transportation or even through being placed outside due to overnight temperatures etc.

We hope that you will help us to raise money for this charity by support our initiative.

If you have any questions please do not hesitate to contact myself or the school office.

Yours faithfully,

Mrs T Godfrey

Please return this slip back to school by end of Friday 11th November

Child/ ren’s name(s) Class(es).....

I would like to purchase poppy (ies)

(The maximum number of poppies you may purchase is the number of children you have in the school – however if we have any poppies left these will be available to purchase at a later date)
